Beadle Crome Interiors was established in Reading in 1972. Since that time it has remained a family business with a new generation helping to guide the business forward.

We offer a Protection Plan for your upholstery that covers anything from little accidents such as food or drink spills, accidental damage or even structural defects.

Finance now available online and instore on items over £1200

We charge for standard UK delivery and installation on all orders. We use our own trained delivery staff for the majority of deliveries.
